EVENTS

46th Bain Fallon Memorial Lectures
 19-23 July 2026 | Albert Park, Melbourne
 Sports Medicine | Lameness | Endocrinology | Surgery

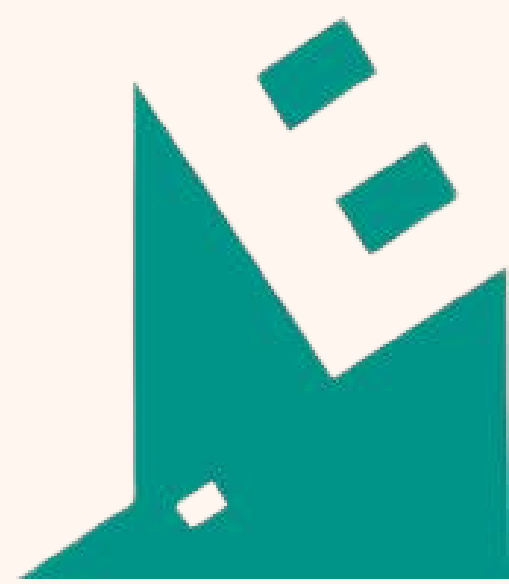

Our team will be attending the 46th Bain Fallon conference in Melbourne.

We have a lead in promotion for this event with an accommodation voucher on offer for one lucky winner! For more information reach out us at orders@ellar.com.au

If you are attending the conference, come visit us in the exhibition hall between July 19th - July 23rd.

We will have event specials and stamps for passport prize entries.

ELLAR SERVICE UPDATE

NEW PRODUCTS AND PRODUCT UPDATES

ilium Syntocin is having a product update to increase the shelf life back to 24 months, to obtain this increase to shelf life the new version of **ilium Syntocin** will be required to be stores between 2-8 degrees for transport and storage. A price increase will happen on this new version

Available from July 8th.

Virbac Cortotic 16ml

Cortotic, the first antibiotic free treatment for canine otitis externa. The product is recommended as a first-line treatment for acute erythematous-ceruminous otitis externa. Containing the potent anti-inflammatory, hydrocortisone aceponate it leads to rapid resolution of inflammation and helps reduce overuse of antimicrobials.

Cortotic's unique packaging features a pump for controlled, fine-mist delivery and an atraumatic cannula for easy, safe application. Administer 2 pumps to the affected ear once daily for seven days, regardless of dog size.

Available to order now.

SENVELGO 12ml

Boehringer Ingelheim is pleased to announce the launch of **SENVELGO** 15 mg/mL Oral Solution for Cats 12 mL bottle to the **SENVELGO** range.

Introducing diabetic cats and their owners to **SENVELGO** is now even simpler, with the new 1-month starter size.

Available to order now.

New from Prime, **OXY-FLEX 250ml**

OXYTETRACYCLINE INJECTION
For treatment of organisms sensitive to oxytetracycline in horses, cattle, sheep, pigs, dogs and cats.

ACTIVE CONSTITUENTS:
100 MG/ML OXYTETRACYCLINE (AS THE HYDROCHLORIDE)

Available to order now.

Dechra Product Discontinuations

Due to continued low product demand, Dechra Australia has taken the decision to discontinue the following products:

- Amoxicillin 200mg Tablets 500
- Flusapex 40 mg Tablets 100s
- Flusapex 40 mg Tablets 1000s

Once stock is exhausted in our warehouse we will not be able to reorder.
